Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Monday 11 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Milder and windy Monday, colder again through Tuesday.

Today:
Starting dry with bright spells on Monday morning, especially across the east, but becoming cloudier with outbreaks of rain and strengthening winds. Not as cold as recent days. Maximum temperature 7 deg C (45 deg F).

Tonight:
Wet and windy with some heavy pulses of rain for a time, particularly over the Peak District. Winds should ease after midnight, but it will remain cloudy and damp. Minimum temperature 3 deg C (37 deg F).

Tuesday:
Cloudy and damp at first on Tuesday but rain easing and cloud clearing away to leave a largely sunny and cold afternoon. Light winds, but breezier along North Sea coasts. Maximum temperature 5 deg C (41 deg F).

Outlook for Wednesday to Friday:
Frosty start on Wednesday then clouding over with outbreaks of rain, perhaps continuing on Thursday before easing. Largely dry and bright on Friday. Cold throughout with frost and ice.
